

## About Leroy Remer – [Triple-R-Knives](#)

Leroy R Remer started his passion back in high school when his class went on a field trip to Buck Knives. Frank Buck approached him, they discussed knives and he gave Leroy a 103 skinner blank which he finished and later worked for Buck Knives for 17 1/2 years.

Leroy R Remer founded Triple-R-Knives in 1990. We make custom knives, handle material and customized knives. There is basically nothing that we can't create or customize for your needs.
