

## BUCK PRO PROGRAM

### **Personal Use Policy for BCCI Members**

**The Buck Knives Pro Program is offered exclusively to BCCI members in good standing and is strictly limited to personal-use purchases only.**

- All knives purchased through the program must be for your own personal use.
- Buying on behalf of others — including friends, family, or third parties — is not permitted.
- Reselling any item purchased through the Pro Program violates Buck Knives' rules and may result in removal from the program.

***This is not a permanent benefit. Buck may change or discontinue the program at any time.***

**How It Works:** Log into the Buck Knives website: [www.buckknives.com](http://www.buckknives.com)

Scroll to the bottom of the home page and click the Pro Program link.

Buck is clear about the boundaries of the program:

- If you abuse it you lose it.
